Rent

The weekly charge includes rent and rates plus charges for support service and communal facilities. Charges are set at an affordable level and depending on your circumstances you may be entitled to Housing Benefit and Supporting People funding. Please contact Choice for details of current charges.

Sheltered housing enables older people to live independently and privately in their own dwelling within a safe, friendly and supportive environment. All of our sheltered dwellings are linked to a 24 hour emergency call centre and tenants can have a pendant alarm if required. A scheme co-ordinator support service is available on site five days a week. Our aim is to ensure tenants feel safe, enjoy their privacy and independence, and have the opportunity to participate in social events and activities.
