MERRY
Christmas

AND A HAPPY NEW YEAR

Message from our Tenant Engagement Officer

On behalf of our Community Network, I am delighted to present our 2025 calendar. I hope you find it useful as we move into the year ahead.

It is a pleasure to work on this calendar with the colleagues and tenants who make up our Editorial Group. I would like to thank all the members for their creative contributions. The Editorial Group is just one of many opportunities for Tenants to engage with Choice and I enthusiastically encourage all tenants to consider participating in our range of engagement activities.

2024 has been a significant year for the Community Development. We were delighted to be awarded silver level Tenant Participation Accreditation by the independent charitable body, Supporting Communities. This reflects Choice Housing's ongoing commitment to empowering residents and enhancing tenant engagement.

Many of you will remember the consultation process around tenant engagement and I am delighted to see our Tenant Engagement Strategy now live on our website. We know our tenants are the foundations of our communities, and we are dedicated to ensuring your voices are heard. Our Tenant Engagement Strategy sets out how we will foster meaningful relationships and promote open, two-way dialogue as we work together to continuously improve our services.

With our strategy in place we are excited about the year ahead in 2025! This year will see the continuation of training programs for Community Network members and new tenants looking to get involved. Opportunities such as OCN in Community Development, good governance, and First Aid Training will be offered throughout Northern Ireland. If you're interested in participating, please give us a call at 0300 111 2211—we are always eager for new voices!

*From everyone at Choice and the Community Network,
Wishing you a Merry Christmas and a peaceful New Year.*
